Declaration Guadalupe Lugo

Guadalupe Lugo states as follows:

1. I am a legal assistant at the law firm of Sowers & Wolf, LLC. I make this Declaration of my personal knowledge.
2. I am responsible for calculating how many copies are attributed to, and thus billed to, each of our clients. Our photocopier uses preloaded software to assign a user code for each client. This code- between four and five numbers- must be entered before photocopying is allowed. After entering the code, the photocopier automatically tracks each individual copy that is made for each client. The software attached to the photocopier then allows one to review the number of total copies printed on the machine,

as well as the number of copies made for each individual client. This same report can then be printed as an Excel spreadsheet. Using the tracking software as I was able to determine the total number of copies attributed to our clients, Carolyn Betton, et al., as 4,137 copies.

2. I declare under penalty of perjury that the foregoing is true and correct.

Executed on March 26, 2010
